Example 1
Beispiel 1

Anti-proliferative Effect of Icilin on HEK293 TRPM8 Transfectants

Fig. 5
HEK293 Control
Cells

No Effect of Icilin on the Proliferation of HEK293 Control Cells

Proliferation in % of Control Proliferation in % of Control

Example 2
Beispiel 2

No - Apoptotic Effect of Icilin on HEK293 TRPM8 Transfectants

Apoptosis in % of Control

Fig 6

No Apoptotic Effect of Icilin on HEK293 Control Cells

Apoptosis in % of Control

Example 3
Beispiel 3

Anti-proliferatives Effect of Icilin on LNCaP cells, synergism with Paclitaxel

Fig. 7
